

Animation 1: Phil Got Another 1 Logo (LOGO IDEA {PA1} like Avengers Symbol)

// Logo comes to front of screen and then minimizes to logo at top of screen

Animation 2: Random Beat will play when entering site

// Music will play from a playlist of beats. Banner will show beat ID for the current playing beat

Users need to be able to create their own account with this application so that when they buy a beat or any other merchandise, it will allow them to download that
